

New Well to be put on line

Some projects you plan and others simply demand attention. Just as we began phase three of our roof project, we realized that the well feeding “*es heissel*,” our summer kitchen, was having problems. Though we chlorine-shocked the well twice, the water still wasn’t clean. Luckily a new well (drilled a few years ago with the help of a grant from the Schuylkill Action Network) is located midway between the farmhouse and barn. With the help of plumber—Richard Schaeffer,

our farmer— Ray Bolten, equipment operator—Don Schilke, and some hard-working volunteers like Frank Muzopappa, we’re about

half-way done installing a new pump and water lines. Goats, garden, (and tenants) will be really happy!

Boscov’s “*Friends Helping Friend’s*” Fundraiser Tuesday, October 18, 2016

Boscov’s Department Stores have an annual event to benefit non-profit organizations like ours. Help to financially support the historical and environmental work we do at the Dreibelbis Farm Historical Society! On Tuesday, October 18th, Boscov’s will host *Friends Helping Friends*, a special day filled with fun and fundraising. By purchasing a discount ticket for \$5 you will be entitled to a 25% discount shopping pass* for purchases made that day at any of the many Boscov’s stores. In addition, you’ll be eligible to win fabulous door prizes. While purchasers of the ticket can easily recoup their \$5 and much more through the saving they enjoy with their ticket, the Dreibelbis Farm Historical Society will receive the full \$5 from each and every ticket we sell. This is a tremendous way for folks to get started on fall or holiday shopping and the support the Dreibelbis Farm Historical Society at the same time!

The Dreibelbis Farm Historical Society will have the tickets available at our Information Booth Tent in front of the farmhouse at our Farm Festival on Saturday, August 27th. You could also call our DFHS treasurer, Nancy Drescher, at 610-562-3794 to arrange to buy tickets either before or after the Farm Festival.

*15% discount on cosmetics and fragrances and fine jewelry.
10% discount on salon services and certain home and electronic items.
For a full list, please visit Boscov’s website at www.boscovs.com.
